

GeoCatch General Collection Notice

This Privacy Collection Notice explains how GeoCatch collects, uses, stores and discloses personal information. It also outlines your rights and how you can contact us about the way your information is handled.

GeoCatch collects your personal information such as your name, contact details, and information relevant to your request in order to register your attendance at events and interest in our programs so that we can communicate with you and keep you informed.

Your personal information will be used for the purpose for which it was collected, or for a related purpose, where permitted by law.

This information is required in accordance with legislation administered by DWER. The GeoCatch will handle your personal information in accordance with the [Privacy and Responsible Information Sharing Act 2024 \(WA\)](#), DWER's published [privacy and responsible information-handling framework and Privacy Policy – GeoCatch](#)

Providing your personal information is voluntary. If you choose not to provide your contact details or relevant information, we may not be able to provide updates on our programs or offer some elements of the support available through many our programs.

We do not usually disclose this information outside of GeoCatch but where required we may share information with contracted service providers assisting with the implementation of work on your property.

If you have questions about how your information is handled, please contact info@geocatch.asn.au

If you wish to change or update your personal information, submit your request via email at info@geocatch.asn.au
